WHAT IS THE THIRD SECTOR COORDINATED CRISIS RESPONSE (CCR) DOING?

The CCR team have identified critical non-profits and organisations providing community support with shelter, food, and other essential resources, such as mental health counselling. Having determined the needs, we are now assembling the resources to meet those needs. The CCR team is identifying and reaching out to individuals and organisations to prepare.

WHO IS BEHIND THE CCR?

- Bank of Bermuda Foundation
- Bermuda Community Foundation
- Bermuda Health Council
- Inter-Agency Committee for Children and Families
- Age Concern Bermuda
- Tina Nash, former ED of Raleigh Bermuda
- Danielle Riviere, former ED of Centre on Philanthropy

Both Bermuda Community Foundation and Bank of Bermuda Foundation represent this effort on an EMO sub-committee to advise on the Third Sector response.
